

RULES: Practical Shooting Handbook, Latest Edition **COURSE DESIGNER:** Cal Eilrich—Modifications by US Design Team

START POSITION: Standing in Box A, back to targets, toes of both feet against rear fault line of Box A, both arms hanging relaxed at sides.

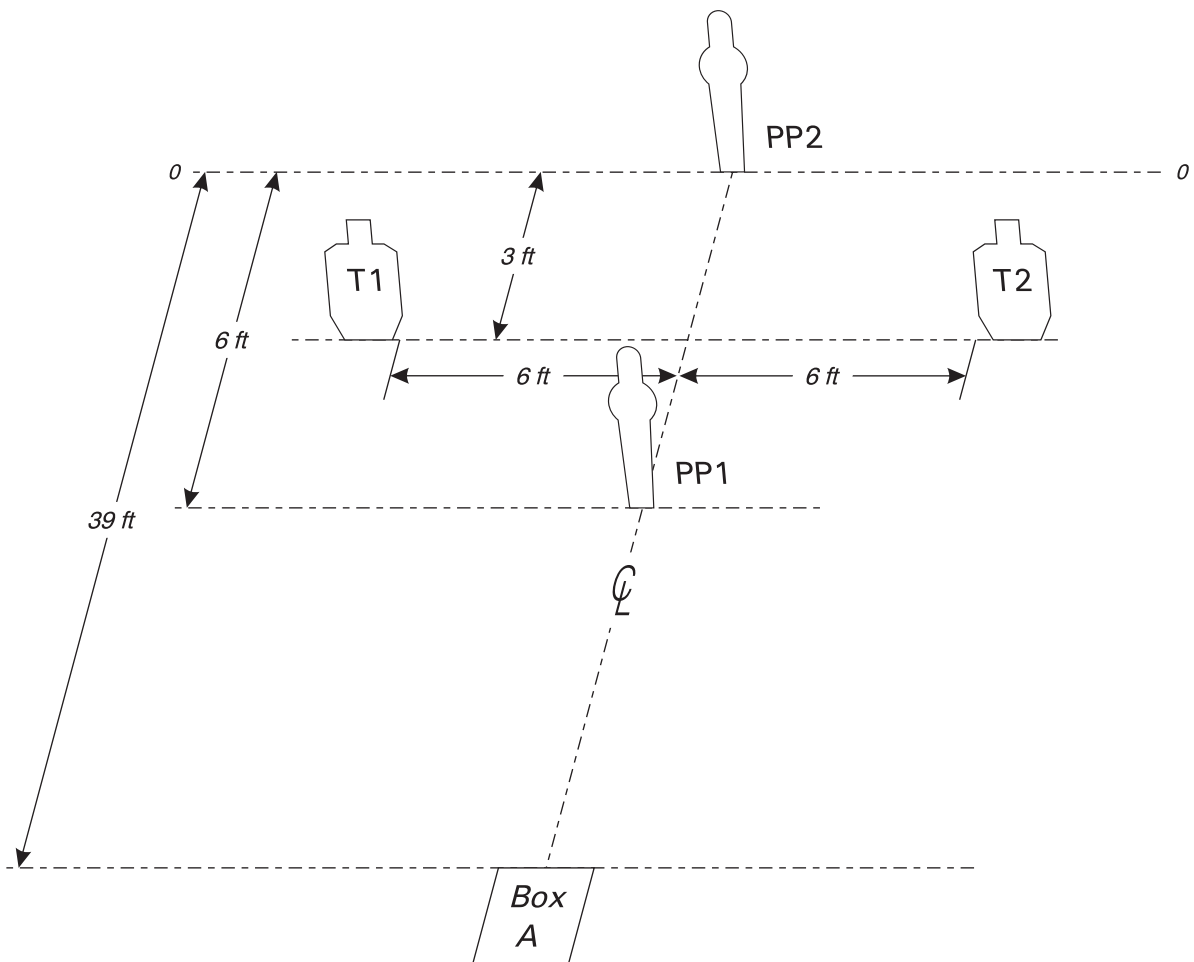

STAGE PROCEDURE

- String 1. Upon start signal, turn, then draw and from Box A engage T1, T2, PP1 and PP2.
- String 2. Repeat String 1 procedure.

RECOMMENDED SETUP: Two identical target arrays. Shooter shoots one array (record time), then moves to second array and shoots it (record time). Score both arrays. Add up both string times to get total time. Use this together with total score to obtain hit factor. If only one target array is set up, you must score the targets between strings.

SCORING

- SCORING:** Comstock, 12 rounds, 60 points
- TARGETS:** 2 IPSC, 2 Pepper poppers
- SCORED HITS:** Best 2/paper, KD = 1 A
- START - STOP:** Audible - Last shot
- PENALTIES:** Per current edition USPSA Practical Shooting Handbook.

SETUP NOTES: Set paper targets to 5 feet high at shoulders. Box A is 3 feet by 3 feet. PP2 must be set as close as possible to berm. Berm must be high enough so that a round deflecting off of falling PP1 will not leave the range.
